

No Butts Left Behind

Please Support the
8th Annual Diaper Drive
November 1st- November 30th

Note: Cash donations are also accepted ~ \$20 will purchase a package of around 100. There is a high need for size 4&5 diapers.

Any parent will tell you it is a terrible inconvenience to run out to the drugstore late at night because you ran out of diapers. But this occasional inconvenience is nothing compared to the crisis unfolding across the nation for families who are unable to provide their children with an adequate supply of diapers. Low-income families in our community often have to decide whether to buy food or diapers.

Help Tehama County Child Abuse Prevention Coordinating Council and First 5 Tehama give these families a much needed break and donate a package of diapers. Together we can make a difference – not only for parents but for many babies in our community.

"We live in a world in which we need to share responsibility. It's easy to say 'It's not my child, not my community, not my world, not my problem. Then there are those who see the need and respond. I consider those people my heroes."
